

Purchasing Agreement

Astaria Global, LLC (Supplier) is a manufacturer and distributor of Alpha2EQ™, an ortho-biologic medical device, designed for equine veterinarians in managing horses having inflammation in joints, soft tissue, and airway. Equine Purchasing and Inventory Company (EPIC) is a group buying cooperative offering memberships to independently owned equine veterinary clinics that benefit from pre-negotiated supplier purchasing agreements including discount pricing and extended payment terms enabling EPIC members being more competitive.

Supplier will offer the following purchasing terms to EPIC members for the items shown in Exhibit A:

- . Purchase 5 of any Alpha2EQ kit and receive the 6th kit at no charge.
- . The above Alpha2EQ kits of 6 kits may be of any 30ML or 15ML configuration.
- . Purchase 10 of any Alpha2EQ kits and receive a centrifuge at no charge.
- . EPIC members receive net 30-day payment terms.
- . EPIC members that become a new customer to Supplier may exchange any product (within current sterility dating) that could be injected or nebulized to treat lameness or airway disease on a one-to-one basis on their initial purchase order with Supplier for any Alpha2EQ kit for up to 5 Alpha2EQ kits.

The term of this Purchasing Agreement shall be for a one-year period from February 1, 2024 with annual renewal terms by mutual agreement between Supplier and EPIC.
